

## **SAMPLE POP QUIZZES**

Simply cut and paste onto firm construction paper or thin cardboard.

**When contacted by FOI Branch for records in response to a FOI request, you must forward the records to the Branch within 30 days. True or False?**

**Would resumes of employees of private companies which accompany business proposals be releasable under the Act? Why?**

**Are Daybooks FOIable?**

**Working as a clerk in the Saanich Police Department you come across a list of repeat offenders on the charge of impaired driving. In a fit of moral outrage you copy the list and post it on the wall of your local postal outlet.**

**Is this permissible? If not, what penalties might apply, if any?**

**To help prepare a package for forwarding to the FOI Branch, you should shred all transitory records?**

**Human Resources hands out a list of all auxiliary employees and the number of hours they have accumulated. Can this list be posted on the coffee room bulletin board?**

**A public body has records relating to an individual's eligibility for income assistance. The public body must retain the records for at least 6 months. True or False?**

**An applicant sends you a letter asking how much the Minister of [*department*] is paid. Is this a formal FOI request?**

**Your friend works at Safeway and wants to see her personnel file. Does she have a right of access under the FOI Act?**

**You have prepared a package of records for the Information and Privacy Branch in response to a formal FOI request. The package includes a letter from the President of Macmillan Blodell to their company solicitor regarding the application of the Skills Development and Fair Wage Act to Watershed Restoration Projects. Can the Ministry of Labour release this letter?**

**The local newspaper arrives at a school ground uninvited to take pictures of a school sporting event. Some of the pictures are published in the newspaper the following morning. Is this a contravention of the FOI Act?**

**Ministry of Health has a database of persons on methadone treatment. The producers of methadone want to survey those individuals to research consumer satisfaction. Do they have access to this database?**

**CREATE YOUR OWN POP QUIZZES...**

then, cut and paste onto firm construction paper or thin cardboard.
